Put you in complete control of the light in your space

DRAGONSHINE provides back-coating fabric at a competitive price to top-quality brands. By doing acrylic coating, which fills in any gaps in the material, we put you in complete control of the light in your area. Our comprehensive fabric back coat finishing takes your blinds, interiors, and soft furnishings to another level. Our services coordinate with the complete range of curtain fabrics with perfect finishing touches and style. We only work with material suppliers committed to caring for their people and future generations and are also dedicated to responsible environmental practices. All our fabric manufacturing is all AZO-free dyes. At DRAGONSHINE, you will find everything you need to complete the look of your blinds and the perfect fabric for your interior.
