- **TILE:** 3.5mm thickness 500X500mm · 1000X1000mm · Customer size & shape

Features

texlyweave® features high performance with technical characteristics. Woven vinyl is strong, durable (EN 685 Class 33), and flame resistant (EN13501-1) when it is reinforced with high density, and resilient backing, which dramatically brings you a comfortable, noise isolate experience (EN ISO140-8) and in additionally brings the application from floor to wall.

Appeal to your senses to touch it. From the perspective of maintenance, they are easy to clean. (EN423 EN438) All these original features make it a favorite choice for an interior designer and the decoration industry. Also, make it possible as the symbol of strength, sustainability, comfort, and personalization. As well as rich in color and texture, texlyweave® is an excellent accent for the highest style projects.

Grainy

An engineered woven vinyl surface with fabric texture aesthetics and easy-to-clean performance.

AESTHETICS OF WEAVING

The premium tactile experience of the textures

Grainy

COLLECTION AT A GLANCE

A juxtapositional dark and light texture imitates the wood bark, the vintage background, and the old and ruined panels' look. We took the colors from natural wood species and old shattered panels.

The swell authenticity wood look design, the high-performance juxtaposition of dark and light. The two-tone vinyl yarn is fine and brief but with exquisite detail of pinus forest. The scrubby resin is shimmering.
