

Dragonshine was made to bring elements of the natural world into interiors, reconnecting us with the uplift in well-being that comes from time spent in nature.

Our **texlyweave®** flooring is stunningly simple, and style but tough enough to meet a brilliant choice for offices, gyms, and hotels; the **texlyweave®** wallcovering range is also a popular option at home anywhere from ensuite and bathrooms to kitchens and studios where a statement finish is desired. Over-engineered for incredible durability, use **texlyweave®** woven vinyl wall to floor, meeting the needs of today's modern living. Its high-performance matches flooring in commercial and hospitality spaces and wallcovering for high-end residential homes.

A Great Choice for Wall2Floor!

toxyweave® features high performance with technical characteristics. Woven vinyl is strong, durable (EN 695 Class 33), and flame resistant (EN13501-1) when it is reinforced with high density, and resilient backing, which dramatically brings you a comfortable, noise isolate experience (EN ISO140-8) and in additionally brings the application from floor to wall.

Appeal to your senses to touch it. From the perspective of maintenance, they are easy to clean. (EN423 EN43B) All these original features make it a favorite choice for an interior designer and the decoration industry. Also, make it possible as the symbol of strength, sustainability, comfort, and personalization. As well as rich in color and texture, *textilweave®* is an excellent accent for the highest style projects.

COLLECTION AT A GLANCE

With this perfect, splendid performance floor, a different artistic material identity. Our contemporary materials and aesthetically pleasing design create a quiet space look into an almost magical experience. This perfect, splendid performance floor offers a different take on our distinctive material identity.

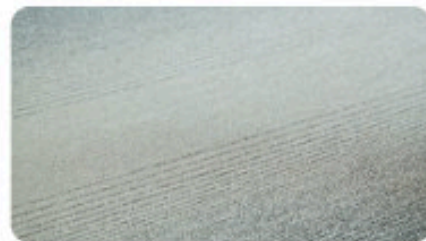

It is not a jet print carpet; we opted for our jacquard woven vinyl, a stunning addition to our texlyweave® collection.
