Applying texlyweave® to create a stunner space!

A creative manufacturer and developer of high-quality woven vinyl. It is uniquely textured, offering a feel and looks like natural materials, extended as a floor-to-wall covering.

texlyweave features high performance with technical characteristics. Woven vinyl is strong, durable (EN 685 Class 33), and flame resistant (EN13501-1) when it is reinforced with high density and resilient backing, which dramatically bring you a comfortable, noise isolate experience (EN ISO140-8) and in additionally bring the application from floor to wall.

Appeal to your senses to touch it. From the perspective of maintenance, they are easy to clean. (EN423 EN438) All these original features make it a favorite choice for an interior designer and decoration industry. Also, make it possible as the symbol of strength, sustainability, comfort, and personalization. As well as rich in color and texture, texlyweave is an excellent accent for the highest style projects.

Long-lasting colors, unique feel, and modern look! Easy to apply, clean, and maintain; strong, durable, soft, and comfortable. texlyweave, combined with other texlyweave products, turns simple white spaces into design surfaces that tell us an extraordinary story: your story.

Sometimes you will never know the value of woven vinyl until it is applied in your space.

A creative manufacturer and developer of high-quality woven vinyl. It is uniquely textured, offering a feel and looking like natural materials, extended as a floor-to-wall covering.

It is made of high durable quality yarn, has a smooth handle, and is finished with specialized treatment, ensuring the floor meets the needs of today's modern living, the wall, and floor.

The stunning beauty of refined weaving structure. Our latest textured woven vinyl wall flooring features plenty of contemporary shades of purple and natural.
