

WOVEN VINYL

SEAGRASS

texlyweave®

we challenge the norms of weaving

Inspired techtonic of sea grass

It is the Chinese-Cao script calligraphy, underwater meadow, and the seaweed forest.

Delicate organic ribbon composes this soulful and energetic broad texture on a looming herringbone background. Although the fluid, natural curves of the design embody a singular movement and spirit, you can see the design in a stealthier, supplier mode. This stunning woven vinyl features shimmering silver ribbon in a funky pattern for a contemporary surface that's eye-catching and highly intoxicant.

WOVEN VINYL

THE BEAUTY OF TEXTURE

textyweave features high performance with technical characteristics. Woven vinyl is strong, durable (EN 685 Class 33), and flame resistant (EN 13501-1) when it is reinforced with high density and resilient backing, which dramatically bring you a comfortable, noise isolate experience (EN ISO140-8) and in additionally bring the application from floor to wall. Appeal to your senses to touch it. From the perspective of maintenance, they are easy to clean. (EN423 EN438) All these original features make it a favorite choice for an interior designer and decoration industry. Also, make it possible as the symbol of strength, sustainability, comfort, and personalization. As well as rich in color and texture, textyweave is an excellent accent for the highest style projects.

Long-lasting colors, unique feel, and modern look. Easy to apply, clean, and maintain; strong, durable, soft, and comfortable.

textyweave, combined with other textyweave products, turns simple white spaces into design surfaces that tell us an extraordinary story: your story.
