THE TEXTURE OF OUR STORY

Once upon a time... and still, we are here! A group of people started producing yarns and fabrics for design and everyday objects 25 years ago. People since then, every day, with passion and professionalism, create safe and certified woven vinyl products, working in real creativity.

THE TEXLYWEAVE PROMISE

texlyweave products guarantee excellent engineered performance, UV ray resistance, atmospheric agents, and rubbing resistance. In addition, they are easy to clean and sanitize. We work continuously for the best solutions regarding the sustainability of materials and processes and are aware of the value of the environment and the territory. Texlyweave woven vinyl allows surfaces to be used, cleaned, and enjoyed longer.
