Wall paper & panel

texlyweave® BreezeDécor wall panels combine beautiful design with practical functionality. These shock-resistant and easy-to-maintain panels offer excellent sound diffusion and are the perfect solution for covering unwanted moisture. Their simple and straightforward installation provides reassurance that they are an excellent choice for any space.

Bring timeless design and natural beauty to your walls with texlyweave® BreezeDécor. Inspired by nature's plant and metal elements, our exclusive patterns come in various designs and colours to create a sense of well-being in your space.

texlyweave® BreezeDécor wall panels offer decorative style and acoustic benefits, enveloping your area in a unique and intriguing blend of woven and vinyl surfaces.

Upholstery & cabinet

textlyweave® BreezeDécor adds a splash of signature style to a space with pops of metallic, intricating jacquard designs and even posh. It honours the appearance of abrasion, wearing, UR resistance, waterproof, and colour fastness in the outdoor furniture industry. Designers are now also attracted to upholster furniture indoors to share the beauty and aesthetic of simplicity and neat finish. textlyweave® BreezeDécor is the essential antidote for gloomy furniture; shake up the interiors with bluish furniture that stands out from the wall, pronounced decoration that will wake up your sense, and woven vinyl fabrics you'll love to curl up in. textlyweave® BreezeDécor's bright and beautiful way to make a strong statement at any space, with their signature weaved texture, beyond nature-inspired colour palettes, intense, cheerful, daring metal colours. The woven vinyl's charming illustrations bring unexpected furniture surface beauty into the real world.
